Executive Session Protocol Oregon Investment Board

After discussion agenda items are presented in open session by OIB staff, the OIB Chair will state the following: "Pursuant to ORS 192.660(f), Exempt Documents, I call the Executive session of the Oregon Investment Board to order"

OIB Chair asks all non-staff and non OIB members to leave the meeting. Staff will explain to visitors where they can wait and that they will be invited into Executive Session when their agenda item will be discussed.

For each discussion item on the agenda for Executive Session, the OIB Chair will follow the following procedural steps:

1. Invite the loan applicant (or their representative) into the Executive Session for the presentation of their loan request. OIB Chair requests a brief presentation from OIB staff on a summary of the loan proposal or other discussion item.
2. After presentation of information by staff, the OIB Chair asks if there are any questions for the loan applicant or OIB staff.
3. Following questions and discussion by the OIB, the loan applicant (and/or their representative) is asked to leave Executive Session with instruction that they will be invited into the Open session when Executive Session is adjourned.
4. OIB Chair asks OIB members if there is any discussion related to loan request that needs to take place before inviting the next loan applicant or other persons in to Executive Session for the next discussion item.
5. Additional discussion between the OIB members takes place then Steps 1-5 are repeated for each following discussion item for Executive Session.

At the end of discussion, the OIB chair will close the Executive Session. The OIB moves back to open session. At this point, the OIB Chair can ask for a motion of the decision items in open session. Open session is when the OIB can make decisions on agenda items.

Concept | **Revolving Loan Funds for Small Business**

Concept

Allocate \$250,000 of OIB funds for a pilot program with a streamlined application process, low documentation, minimal insurance requirements, ingrained small business counseling and performance incentives.

Basic Terms

- **Maximum Loan Amount:** \$60,000¹
- **Eligible Applicant Types:** Entrepreneurs, new business start-ups, expanding businesses and most legal business ventures.
- **Small Business Counseling Support:** Loan applicants required to obtain counseling through SCORE or SBDC.
- **Increased Flexibility in Loan Requirements:** Minimum 5% applicant funds, with up to 95% OIB loan. Other criteria as determined by the Board.
- **Interest Rate:** Loans within in this pilot program may begin with higher interest rates and pre-payment penalties to offset the increased risk, but interest rates may be lowered and pre-payment penalties phased out based on individual loan performance.
- **Low Documentation:** Only requires basic application, credit report, references and other required application forms. Minimal supporting documentation, such as tax returns, financial statements and P & L forecasting.
- **Minimal Insurance Requirements:** Basic insurance on collateral and business required; life insurance assignments may be waived.

Online Presence

With rapidly increasing market share, online lenders provide about 20% of small business lending². To benefit from this trend, this pilot project could be highlighted on OIB and MCEDD websites and have a small budget for social media and other online advertising.

Promotion

Brochures for this program could be circulated through MCEDD/OIB referral network and economic development partners. There could be increased and ongoing utilization of public service announcements (PSAs).

Topics for Discussion

- Additional marketing ideas.
- Expedited decision process.
- Lower collateralization.

1- Studies show that approximately 44% of all small business lending is through loans of \$50,000 or less.

2- According to Harvard Business School's State of Small Business Lending Report, Working Paper 17-042 from 2016.
