## MID-COLUMBIA ECONOMIC DEVELOPMENT DISTRICT FY24 Budget Packet Contents

1. Agenda for Budget Committee Meeting.
2. Minutes from the FY23 Budget Committee meeting.
3. Budget Narrative - Provides a written explanation of the budget and includes significant changes from the prior fiscal year.
4. Budget Appropriation by Category - Provides a summary of the proposed budget by categories.
5. Historical Data - Includes prior approved budget and actuals information for FY21 to FY23, and the proposed budget side-by-side.
6. All Funds Budget - Presents details of income and expense costs by class, including agency funds.
7. Operations Budget - Provides details of income and expense costs by class for operational funds only.
8. Special Projects Budget Detail- Provides details on budgets for the special projects operational line item.
9. Transportation Budget Detail- Provides details on budgets for the transportation operational line item and the Statewide Transportation Improvement Fund (STIF).
10. Salary Scale - Provides the proposed FY24 salary rates by classification.
11. Benefits Plan - Reflects the benefits for employees proposed in the budget.
12. Local Assessments - Provides details on local dues assessment.
13. Budget Acronyms - Provides an overview of commonly used acronyms in the budget.

# MID-COLUMBIA ECONOMIC DEVELOPMENT DISTRICT BUDGET COMMITTEE MEETING THURSDAY, MAY 18, 2023 <br> 12:00 P.M. 

MCEDD Office, 802 Chenowith Loop Road, The Dalles, OR Or via Zoom: https://us06web.zoom.us/j/87470105177
Or call 346-248-7799, Meeting ID: 87470105177

## AGENDA

1. CALL TO ORDER/INTRODUCTIONS
2. ELECTION OF COMMITTEE CHAIRMAN AND SECRETARY
3. APPROVAL OF 2022 BUDGET COMMITTEE MINUTES
4. PRESENTATION OF FY 2024 (JULY 1, 2023-JUNE 30, 2024) BUDGET

## 5. RECOMMENDATION TO MCEDD BOARD OF DIRECTORS

## 6. ADJOURNMENT

The meeting location is accessible to persons with disabilities. If you have a disability that requires any special materials, services or assistance, please contact MCEDD at 541-

296-2266 (TTY 711) at least 48 hours before the meeting.
MCEDD is an equal opportunity lender, employer and provider.

# MID-COLUMBIA ECONOMIC DEVELOPMENT DISTRICT BUDGET COMMITTEE MEETING MINUTES <br> THURSDAY, MAY 19, 2022, at 12:00 PM <br> MCEDD Office, 802 Chenowith Loop Rd., The Dalles, OR <br> DRAFT MINUTES- NOT YET APPROVED 

## ATTENDANCE

Committee Members: Jonathan Lewis, Leana Kinley, Tiffany Prince, Eric Proffitt, Andrea Krol
Staff: Jessica Metta (Executive Director), Dana Woods (Finance Manager), Jill Brandt (Administrative Assistant), Kate Drennan (Deputy Director of Transportation)

## CALL TO ORDER/INTRODUCTIONS

Leanna Kinley called the meeting to order at 12:08 p.m. A round of introductions took place.

## ELECTION OF COMMITTEE CHAIRMAN AND SECRETARY

Leana opened the floor for nominations for the positions of Committee Chair and Secretary.
Jonathan Lewis motioned to elect Leana as Budget Committee Chair. Eric Proffitt seconded the motion. Motion carried unanimously.

Jonathan Lewis motioned to elect Tiffany Prince as Budget Committee Secretary. Eric Proffitt seconded the motion. Motion carried unanimously.

## BUDGET COMMITTEE MINUTES

Tiffany Prince motioned to approve the 2021 Budget Committee Minutes as presented. Eric Proffitt seconded the motion. Motion carried unanimously.

## PRESENTATION OF FY 2023 (JULY 1, 2022-JUNE 30, 2023) BUDGET

Jessica began the discussion with a recap of the budget highlights as outlined in the packet. She gave a brief summary of MCEDD's work with tech assistance, grant administration, county development contracts, transportation, and energy resiliency. She pointed out that the largest portion of the budget goes to operate The Link transit services, noting that today is the Link's $25^{\text {th }}$ anniversary! Other items of note for this budget are the accommodation for salary increases as well as including a Diversity, Equity and Inclusion (DEI) consultant for MCEDD.

Dana Woods thanked everyone or providing their feedback on this proposed budget. She noted the biggest challenge is with MCEDD's Intermediary Relending Program (IRP) loan funds, which are in the process of being refinanced. This budget assumes the refinancing will be successful, and shows the lower estimated payment amounts after restructure.

## REVENUE

Loan Revenue amounts were based on current, portfolio and estimated new loans, and used a three-year average. Interest on new loans was projected at $7.75 \%$. This budget assumes that new loans will be closing over the course of the entire year, and so the projections show increases at different points to reflect this. Dana noted that there are currently no delinquent loans. The Attainable Housing RLF has
no active loans at this point, with two paid off. This budget assumes that MCEDD will disburse $\$ 1.4$ million in new loans. Dana noted that housing loans typically come in for larger dollar amounts. The loan expenditures were standard, with the exception of the personnel costs that were allocated to the IRP funds. This budget has not allocated any direct funds to the IRP loans at this time, however, if loan portfolio activity picks up, more direct costs can be allocated to these funds.

Transportation Operations makes up $\$ 1.462$ million of MCEDD's revenue with both federal government and state funding. The statewide transit tax has allowed The Link to enhance and increase services in town. The Statewide Transportation Improvement Fund (STIF) revenue in this budget was based on estimates from the state. Most transportation contracts are written for two years. Right now, the majority of The Link's funding is in the second year of the cycle. The notable exception is for the deviated fixed routes, whose funding cycle will start at the beginning of next year. The final amount of funding that The Link will receive from ODOT is still being determined but is currently close to MCEDD's initial funding request. Dana summarized the capital purchases planned for next year: four bus shelters and twenty-two simme seats within The Dalles.

Special Projects fund makes up $\$ 1.35$ million of this budget and includes all of the actual known contracts that MCEDD has. Dana noted that if new projects come along, a supplemental budget may be required next year.

## EXPENDITURES

Personnel Expenses in this budget have been based on the salary survey that was included in the packet. The salary survey has been reviewed by Jessica Metta and Leana Kinley and has been submitted to and approved by the Executive Committee. Most positions will receive a $5 \%$ wage increase plus an additional 5\% Cost of Living Adjustment (COLA) to remain comparable and competitive. The Transportation Operations Manager was found to be lower in comparison to similar positions in transit agencies, so it was raised by $10 \%$, and will also receive the $5 \%$ COLA. The Loan Fund Manager position was also increased to reflect the level of complexity, knowledge requirements and responsibility within the organization. Dana explained that the higher paid positions that were increased last year have not been budgeted for wage increases this year and will only receive the 5\% COLA adjustment. The usual $2 \%$ COLA was not felt to be adequate with the current economy.

Discussion: Eric Proffitt emphasized that employee retention is extremely important. Dana agreed, stating that MCEDD's open project manager position has had no responses. Eric amd Tiffany discussed the lack of job applicants.

Dana said the budget does not include pay for the Loan Program Assistant position for this next year. She added that if there is an uptick in lending, MCEDD may revisit looking at filling the position. For now, we are spreading those responsibilities out among staff. One part-time position was upgraded from .8 to .85 at the employee's request. Dana explained that the allocation of wages was primarily done based on the duties of staff. Other payroll expenses, i.e. fringe benefits and payroll taxes, were calculated at $42 \%$. This year saw a $0 \%$ increase for medical and dental costs, but vision premiums increased by $9 \%$. Dana noted that this budget includes the paid family and medical leave tax that will begin in January. This was calculated using 1\%, which was based on information from the state, with a $60 / 40$ split ( $40 \%$ covered by the employer). Dana said this is the second year the MCEDD has offered the flex care spending account to employees. This benefit costs $\$ 300$ per year, a flat fee of $\$ 25$ per month per employee.

Materials. Dana noted that the travel budget was decreased this year. Event services were decreased due to the decrease in expected in-person events.

Discussion: Eric asked if the Symposium has been planned to be virtual or in-person this year. Jessica replied that the budget does include costs for the symposium as an in-person event.

Equipment and Supplies amounts were based on the prior year's actuals, as were the Testing/ Training/Screening amounts. Vehicle costs for both maintenance and fuel have skyrocketed, and these costs are reflected in the budget. Printing costs were increased for transportation to cover graphics for our buses and shelters.

Building Costs. The budget accounts for an increase in both utilities and janitorial expenses, based on this year's actual increases in electricity and rent costs. MCEDD's portion of the facility expenses are paid by calculating $50 \%$ of the facility's total expenses, which are then allocated across all non-transit funds. This year's budget will include $\$ 10,000$ to replenish the building reserve fund. The reserve fund is being utilized to cover the gate repair expense. Dana explained that MCEDD is pursuing an insurance claim in hopes of some reimbursement for this repair, because the loss of the gate controller function coincided with a local power surge. Dana also noted the budgeted increase for snow removal expense, as well as $\$ 3,000$ to add the electrical outlet to the quiet room that is required for employers. Legislation mandates that employers must provide a breast-feeding area for employees that has access to electrical within the room.

Bonds and Insurance increased significantly based on actuals. The increase was based on projections from MCEDD's insurance provider.

Other Materials and Services was decreased from FY22 due to moving where the USDA loan money falls in the budget. Last year this money was applied for but not yet awarded, so a placeholder was put into the FY22 budget under Other. This year, the money has been taken out of this category and budgeted in under new loans.

Grants Disbursed line item for $\$ 10,000$ refers to an Oregon Investment Board-approved grant.
Revolving Loan Fund. This includes MCEDD's payments for IRP loans. These amounts have been lowered assuming a successful re-amortization of all five of these loans.

Dana concluded her presentation with the Total Expenditure Amount of $\$ 13,777,125$ for this budget. She then opened the floor for questions and comments.

Discussion: Jonathan commended Dana for her efforts. Andrea Krol asked if Dana felt that the increase in the fuel costs estimate was reasonable. Jessica responded that this budget assumes that costs will remain high through the calendar year. Eric noted the huge number of variables, and asked Dana if she felt confident with these numbers. Dana affirmed that she was comfortable with all of the numbers. Leana questioned the decreased amount of projected loans, asking if there are any plans for marketing campaigns or other strategies to increase MCEDD's lending. Jessica replied that most referrals come through the SBDC. However, staff are attending local chamber business events, and MCEDD is sponsoring a Pub Talk series for business networking. Jessica noted that MCEDD's situation is similar to other lenders.

Jonathan asked if MCEDD's loans have an advantage now that interest rates are going up. Jessica replied yes. Dana stated that the budget was conservative in the number of expected loans. Jonathan asked about the difference between actual and projected under contractual. Dana referred him to the actuals historical comparison line 40 under contractual. She stated that we don't have actuals for this year yet. Jessica stated that we are very close to the projected total for contractual this year, although the timing of some of the closings will end up in the FY23 budget.

Tiffany Prince motioned to approve the FY2023 budget as presented for recommendation to the full MCEDD Board. Jonathan Lewis seconded the motion. All voted in favor, and the motion passed unanimously.

## ADJOURNMENT

Leana Kinley adjourned the meeting at 12:47 p.m.
Respectfully submitted by Jill Brandt, Administrative Assistant

## Mid-Columbia Economic Development District

FISCAL YEAR 2024 (July 1, 2023-June 30, 2024) BUDGET NARRATIVE

## SUMMARY AND HIGHLIGHTS

The budget has been prepared to facilitate the wide range of services that MCEDD provides. The budget preparation included careful analysis of prior year's budgets, actual expenditures (prior year and current year), and forecasted revenues and expenditures for new programs. Major changes from the FY23 budget and/or highlights in the FY24 budget include:

- Continued challenges in our lending program at funding new loans and making our own USDA Intermediary Relending Program loan payments (Operations Budget, Columns B, C, D);
- Requesting an extension to continue to spend out the remaining $\$ 1,762,955$ in USDA loan funds assuming new loans equally split between Oregon and Washington Investment Boards (Operations Budget, Column N);
- Finalizing the work being done on the Diversity, Equity and Inclusion plan and seeking a consultant to work with the organization on developing a Strategic Plan (Operations Budget, Column U, Line 59);
- Continued work on entrepreneurship and innovation through an anticipated new Business Oregon Rural Opportunities Initiative grant, an extension of the Business Oregon Regional Innovation Hub grant, and a new Washington Dept. of Commerce ICAP Launch grant (Special Projects Budget, Columns K, M and U);
- A non-renewal of Oregon state funding for the Rural Capacity grant writing work given uncertainties in the legislature at budget time (Special Projects Budget, Column N);
- Several new projects including financial management for Northern Wasco Parks and Rec (Special Projects Budget, Column L), administering Commercial Property Assessed Clean Energy incentives in Hood River County (Special Projects Budget, Column V), and administering a US EPA grant for brownfields cleanup assessments in the five counties (grant still pending, Special Projects Budget, Column W).
- A significant carryforward from FY23 Broadband work that will allow us to continue greater activity for this important infrastructure piece (Special Projects Budget, Column T);
- Continuation of the expanded Mobility Management work launched in FY22, including implementing the Gorge Regional Transit Strategy, marketing the Gorge Pass, and expanding our Travel Trainer services to our WA counties using a consultant (depended on a new grant from WSDOT) (Special Projects Budget, Columns AB and AE);
- Transportation funding to support an expanded level of service resulting in additional Transportation positions including 1 full-time driver, 1 part-time driver and a part-time dispatcher have been incorporated into the budget;
- Increase in fuel costs to reflect current realities (Transportation Budget, Column B, Lines 61);
- A 5\% cost-of-living adjustment for all positions (Salary Plan);
- The Assistant Project Manager position that supported the loan program continues to remain unfilled in the proposed budget (assumptions in wages lines).
- A significant increase to Invested Interest earned as a result of transferring funds to the Local Government Investment Pool (Operations Budget, Column W);
- Moving our IT support to a fully managed contract (Transportation Budget, Column H, Line 57).

The following provides more details by line item of the significant factors which are relevant to understanding MCEDD's budget.

## BEGINNING BALANCES

LOAN FUNDS AVAILABLE TO LOAN: Available to Loan Funds are based on the projected beginning fund balance, reduced by the estimated amount that is available for Administration. The Available to Loan balance is slightly less than FY23 but still high due to slow lending activity as well as loans being paid off ahead of schedule.

CARRYOVER: The anticipated carryovers from FY23 include Intermediary Relending Program (IRP), Regional Strategies, Attainable Housing Development Revolving Loan Fund (AHDRLF), Special Projects (project specific), and Transportation.

RESTRICTED CARRYOVER: Special Projects restricted carryover is the estimated balance available for specific special projects that cross over multiple fiscal years, the largest being Broadband. While there are a few other small projects, the primary carryover is related Transportation Operations restricted carryover is a result of STIF funds.

UNRESTRICTED CARRYOVER: The IRP, Regional Strategies, AHDRLF and OIB carryover funds include amounts accumulated from prior years of loan fund income not spent on administrative costs. The two IRP funds (Operational Budget, Columns C and D) with negative amounts reflect where we have used principal to cover the IRP payments, and this amount will need to be paid back over time. Transportation Operations unrestricted carryover is comprised of funds for the Transportation General Fund. The largest change in this line from FY23 is related to the more accurate amount in this column for FY24 (Transportation Budget, Column C).

## PROJECTED REVENUE

## FEDERAL:

USDA NSA RBEG: Federal revenue of \$500,000 in pass-through funds received from USDA Rural Development be distributed equally to the Oregon and Washington Investment Boards for lending to small businesses. This grant ends Sept 2023 but we plan to ask for an extension. We decided to budget a more realistic lending number rather than the full amount of the grant left to lend, which is $\$ 1,763,955$.

EDA PLANNING GRANT: MCEDD has a three-year Economic Development Administration Planning Grant which is expected to provide $\$ 80,000$ annually in federal funds, with a required cash match of $\$ 80,000$ annually. Local Assessments will be utilized to provide this match. FY24 is the second year of the three-year grant.

SPECIAL PROJECTS: Federal revenue for special projects is for the Gorge TransLink Alliance Mobility Management project pass-through contracts from Washington State Department of Transportation (WSDOT) and Transportation Options effort. Federal revenue also includes funds to be received for Brownfields Assessment from the US EPA.

TRANSPORTATION: Federal funds include grant revenue for dial-a-ride operations, the deviated fixed routes, installing bus shelters/ signs, and replacement of two vehicles. Many of these grants are two-year grants and revenue is predicted based on half of the biennium amount, plus any remaining funds from FY23 if applicable.

## STATE:

SPECIAL PROJECTS: Includes several grants from Business Oregon and WA Dept. of Commerce for entrepreneurship, innovation and grant writing (Columns M, O, U), plus ODOT funds for our Mobility Management activities/ Gorge Transit Strategy and marketing the multiprovider Gorge Pass for transit.

TRANSPORTATION: Includes revenue for the Statewide Transportation Improvement Fund (STIF) dollars which are funded by a payroll tax. The STIF revenue budgeted is reflected to the most recent forecast provided by ODOT. The STIF funds match federal grants and expand operations support for The Link. Also includes a STIF Discretionary grant for intercity service between Hood River and The Dalles.

LOCAL MATCH: The local match category includes contributions from Gorge Translink Alliance transit providers, a contribution from the City of The Dalles to support The Link and East Cascades Works for a bus shelter, Hood River County partner contributions for the Energy Plan, funds from the Wasco EDC contract to match a Business Oregon grant, and Columbia Area Transit funds to match the Gorge Pass Marketing project.

LOCAL ASSESSMENTS: The local assessments are included based upon the recommendation of the MCEDD Board of Directors. It includes a $\$ 0.89$ per capita assessment to counties and cities and an overall total assessment to member Port Districts. The population data from the 2021 Census Bureau Estimate was used (2022 estimates are available for the counties but not for the cities). FY24 was the last year in a multi-year plan adopted by the Board to increase dues $10 \%$ each year. In FY24, the Board will need to consider plans for the future.

## CONTRACT REIMBURSEMENTS:

OIB/ MHEA: Includes the contracted amount with the Columbia River Gorge Oregon Investment Board (OIB, approved) and Mount Hood Economic Alliance for support of their loan programs.

SPECIAL PROJECTS: A substantial source for contract reimbursements is through special projects contracts with counties for economic development services, technical assistance, grant administration for infrastructure developments, energy resiliency, and related projects. Special projects revenue also includes contracts with entities like CREA and the GTA as well as a grant from the Energy Trust of Oregon for the Hood River Energy Plan. Northern Wasco County Parks \& Rec is a new contract for FY24 to provide financial support.

TRANSPORTATION: Includes projected revenue for contracted services by The Link to provide non-emergency transportation (NEMT) rides through Modivcare and contract with Greyhound to provide a bus stop at the Transit Center. Also includes funds from Columbia Area Transit to fund half of the Travel Trainer position, whose duties are shared between CAT and The Link.

LOAN FUND REVENUE: Loan fund revenue is based upon current loan revenue projections for loans already in MCEDD and OIB's portfolios, excluding any in current litigation. The revenue for existing loans is based upon the approved loan terms for those clients.

The level of new MCEDD loans funded is projected using a three-year average of lending, which is consistent with the manner in which we made projections last FY. See the table below for further detail.

| MCEDD Loan Fund Revenue Projections <br> Using a Three-Year Average |  |
| :--- | :--- |
| Fiscal Year | MCEDD |
| FY21 | $\$ 350,750$ |
| FY22 | $\$ 381,723$ |
| FY23 (projected) | $\$ 510,000$ |
| FY24 new loan projections | $\$ 414,158$ |

The OIB new loan projection was developed using a four-year average of lending to project loan fund revenue.

| OIB Loan Fund Revenue Projections Using a |  |
| :--- | :--- |
| Four-Year Average |  |$|$ OIB

For the Attainable Housing Revolving Loan Fund, the anticipation is full utilization of the original allocation to fully revolve funds. Revenue is calculated accordingly.

LOAN FUND PRINCIPAL REPAYMENTS: Loan fund principal repayments revenue was based on projected payments from existing loan clients and includes scheduled loan payoffs, and known potential modifications which impact potential loan payoffs, as well as payments from new loans projected to be made in FY24. There are currently no loans in a severely delinquent status so no adjustments were made. Principal repayments for projected new loans anticipates a three-month interest-only period at the start of all new loans, a 70-month term, and that loans are booked throughout the fiscal year.

LOAN FUND INTEREST: Loan fund interest calculations are based on the following criteria:

1. Loan fund interest from current loans is included in the FY24 projections. There were no adjustments made to interest calculations for loans with a current severely delinquent status. In addition, interest payments were removed for loans which we anticipate to payoff and for loans currently in litigation or pending litigation.
2. Interest in FY24 from the estimated new loans booked during the remainder of FY23 (from May and June 2023) is included in the projections.
3. Projected loan interest for loans that have scheduled balloon payments in FY24 are assumed to be paid in full, unless they are already in the process of restructure. If anticipated to be refinanced, the loan interest is part of the projected loan income.
4. An estimated interest rate of $7.75 \%$ was used for budgeting purposes. It is a conservative figure as MCEDD's average is often higher. Actual individual loan interest rates vary depending on the associated risk of each loan.

The Attainable Housing Revolving Loan Fund (AHDRLF), which was originally seeded with $\$ 2$ million from the State of Oregon, has a lower base interest rate. Projections are based on the current RLF plan, with an estimated $4.75 \%$ interest rate. In order to provide the opportunity to revolve the fund, we have projected full utilization of the original principal.

LOAN FEE REVENUE: The following are the two primary sources of loan fee revenue:

1. Loan processing fees are projected to be $1.5 \%$ of the loan amount, with the exception of the Attainable Housing RLF program which charges a $1 \%$ fee. The loan fee revenue is based on the total amount of anticipated funds loaned during FY24.
2. Other fees earned include loan filing fees and late payment fees. The late payment fees are unchanged from the year prior.

LOAN FUND INVESTED INTEREST: The loan fund investment income is budgeted based on FY23 actual earnings and is higher to reflect the move of most of our funds to the Oregon Local Government Investment Pool which has a higher rate of return. It is based on funds from the following categories: fund balances waiting to be loaned, loan loss reserves balance, and IRP payment funds waiting to be disbursed.

OTHER/ TRANSFER REVENUE: Other revenue includes various sponsorship and ticket revenue received for the annual Economic Symposium and the new Gorge Pitch Competition, plus reimbursements for materials and services expenses related to the Gorge Tech Alliance. Other Revenue in the Transportation Budget comes from anticipated farebox (rider tickets), vending at the Transit Center, and Greyhound ticket sales. Transportation funds also include transit pass sales and low-income fare subsidies. In addition, it includes the interfund transfer to Transportation for rent from nontransportation funds.

## PROJECTED EXPENSES

WAGES: Wages include a $5 \%$ cost-of-living adjustment for all positions. This figure was set based on the Western Consumer Price Index (5.1\% in March 2023) and consideration of adjustments from similar organizations. While market adjustments were researched, none are recommended at this time. Step raises for eligible employees are included. Compared to last year the following changes are reflected:

- The addition of 1.5 FTE driver positions, as well as a .35 FTE dispatch position;
- Increasing the Office Administrator position from .85 to 1.0 FTE ; and
- Continuing to leave the Assistant Project Manager position that supported the loan program unfilled, and continuing with the organizational structure change that created a Field Supervisor position and did not fill the vacant Deputy Director of Transportation position.

The allocation of wages reflects the duties of staff. The Executive Director is allocated across all programs based upon direct engagement with these programs in providing services, as well as providing
overall leadership and direction. The allocation for the Deputy Director of Economic Development is focused primarily on Special Projects and the EDA Planning Grant. Project Managers are assigned to specific special projects. The Loan Fund Manager is assigned to loan funds and loan program contracts. Administrative staff wages are allocated based upon anticipated support functions required by all functions of the organization and allocations are based upon historical and anticipated usage of time from these staff by area.

The Travel Trainer is fully supported by STIF Funds this year plus some special projects. The Transportation Operations Manager and Field Supervisor are allocated across transportation programs based on direct support and providing services in these programs. Dispatch/Drivers are distributed based on funding source revenue in the projects where direct transportation services are provided.

OTHER PAYROLL EXPENSES: Operating Personnel Expenses are based on a $37.0 \%$ Fringe \& Tax rate. This rate includes an anticipated 5\% health insurance rate increase in January 2024, a 9\% vision increase and a $0 \%$ dental insurance increase. Employer contributions for insurance are generally included for eligible employees. Other Fringe Benefits include a 457(b) contribution at 8.75\%, disability/life insurance, and a Premium Only Section 125 plan in which employees may elect to participate, as premium payments will be on a pre-tax basis.

PERSONAL TIME OFF (PTO): PTO is calculated using the predicted PTO balances as of June 30, 2023 and earned PTO for FY24, up to the maximum per MCEDD personnel policies. The maximum is 146.25 hours per employee (accrual up to 195 hours, with $75 \%$ liability payout $=146.25$ hours). This expense is included as a General Fund expense and General Fund Transportation expense. Due to uncertainty of PTO usage, no reduction of leave taken was incorporated into the estimated liability.

TRAVEL and CONFERENCES: The overall cost for travel for FY24 is budgeted at approximately the same level as FY23.

EVENT SERVICES: Event services include the annual economic symposium, meeting expenses for a MCEDD Strategic Plan, Broadband and ICAP Launch outreach, a Pitch Competition with the ROI grant, GTA events and travel training outreach.

EQUIPMENT AND SUPPLIES: The budget includes new computer equipment for staff on the scheduled replacement rotation roughly every four years, plus a one-time expense to replace all office phones. Smaller ongoing expenses include general office supplies, facility supplies, event supplies for transportation outreach and the GTA, and supplies for The Link.

## PROFESSIONAL SERVICES:

LEGAL SERVICES: Costs associated with legal services were budgeted at a slightly lower amount than the prior year based on actual expenses for FY23.

AUDIT: The FY24 budget reflects the anticipated cost for auditing services.
CONTRACTUAL: There are a number of anticipated contractual service expenses, including IT support, transit software, Caselle financial software, grant management training, and Spanish translation. Some of the larger and more notable changes include:

- Consultants to complete the Diversity, Equity and Inclusion Plan started in FY23and to develop a MCEDD Strategic Plan (\$20,000, Operations Budget, Column U).
- Consultants to complete the Regional Innovation Plan started in FY23 (\$18,000, Special Projects Budget, Column O).
- Consultants to conduct the Brownfields Assessment work (\$141,800, Special Projects Budget, Column W).
- Consultants to implement the next step of the Gorge Regional Transit Strategy ( $\$ 154,000$, Special Projects Budget, Column AB) for marketing the Gorge Pass and providing travel training services in our WA Counties (\$139,500, Special Projects Budget, Column AE).
- Moving to a full-service IT support (\$20,000, Transportation, Column H).
- Bus shelter/ sign installation (\$54,300, Transportation, Column J).
- Completing new bus wraps on all vehicles (\$23,777, Transportation, Column L).
- A new program to subsidize two vanpools in Wasco County (\$12,000, STIF, Column M).
- A one-time expense to add new rider-friendly options to our transit software ( $\$ 80,000$, STIF, Column P).

TESTING/TRAINING/SCREENING: Professional services include drug/alcohol testing expenses and driving records, transportation staff training and CDL physicals necessary for the operations of The Link. The budget was set to reflect FY23 actuals.

## VEHICLES:

MAINTENANCE: Generally, vehicle maintenance is included per schedule. Maintenance decreased slightly to reflect actuals for FY23.

FUEL: Fuel increased again for FY24 based on actuals for FY23.
OTHER VEHICLE COSTS: This line includes a one-time expense to add reader boards to The Link buses.

## COMMUNICATIONS:

ADVERTISING: Reflects an overall increase, primarily additional Transportation funds directed to this purpose.

POSTAGE/FREIGHT: Slight decrease from prior years based on actual expenses.
PRINTING: Reflects a decrease with the majority of expenses associated with Transportation Operations for brochures, etc.

PUBS/SUBS: Assumes a level amount associated with publications.
TELEPHONE/ NETWORKING: Increased from prior year mainly due to increased cost for phone and email service.

## BUILDING COSTS:

RENT: MCEDD Administration pays rent to Transportation, based on 50\% of total Facility expenses, which is then allocated to all non-transportation funds based on the current Indirect Policy (Total Direct Wages). Included in facility expenses is an additional $\$ 10,000$ for a Facility Reserve Fund, raising the reserve to $\$ 30,000$.

UTILITIES AND JANITORIAL: Decreased based on actual expenses. Janitorial services in FY22 increased to include twice-weekly cleaning of our bus shelters. These costs will again go up in FY24 as we bring more bus shelters online.

REMODEL ALLOCATIONS: MCEDD has created a five-year interfund loan which affects all non-transportation funds to cover the cost of the Transit Center remodel for the Administration. We are also still allocating the remodel of $515 \mathrm{E} 2^{\text {nd }}$ Street to all non-transportation funds.

BUILDING REPAIRS AND MAINTENANCE: The building repairs and maintenance was maintained at the same level. This primarily includes landscape maintenance and snow removal.

BOND AND INSURANCE: The anticipated expenses for bonds and insurance have been increased over the prior year based on actual costs, which were based on a review of actual historical costs and anticipation for the current fiscal year. An increase of $5 \%$ has been included.

## OTHER MATERIALS AND SERVICES

DUES AND FEES: Slight increase from FY23. The largest cost is for Caselle's cloud hosting.
OTHER: Expenses are comprised of ACH Collection service for Loan Funds in order to provide electronic payment services for loan clients. There is a monthly module cost and batch costs associated with each loan fund, which is allocated based on revenue. Free fares for high school students are also recorded here under Transportation. This line also includes expected revenue from new loans funded through Washington Investment Board that will be passed through to Skamania County Economic Development Council (\$9300, Operations, Column N). New for FY24 is the prize given during the Pitch Competition, funded by sponsorship dollars ( $\$ 10,000$, Special Projects, Column M).

IN-KIND/TRANSFER: Transfer Source includes Transportation Operations interfund transfer in support of Mobility Management activities.

GRANTS: The Oregon Investment Board is the only fund in MCEDD's budget which provides grants to other entities. The fund's anticipated expenditures include a maximum grant budget of $\$ 10,000$.

## REVOLVING LOAN FUND:

IRP LOAN PAYMENTS: MCEDD has five IRP loans (\$750,000, $\$ 1$ million, $\$ 600,000$, $\$ 310,000$, and $\$ 200,000$ ) through the USDA that require annual payments. Included in the budget are payments of both principal and interest for all five loans.

EDA RLFs: Built into the Operational Budget for the EDA Revolving Loan Funds is a $50 \%+$ allocation of the projected revenue that will be restricted for relending purposes only. This
satisfies the requirement from EDA to ensure administrative expenses remain $50 \%$ or less of loan fund revenue.

CAPITAL OUTLAY: Includes the purchase of two low emissions hybrid buses to replace existing buses.

CARRYOVER - RESTRICTED: Special Projects carryover balance reflects the amount restricted to the special project or the Transportation project. This line also includes the $\$ 30,000$ for the building reserve fund.

CARRYOVER - UNRESTRICTED: Includes various funds with balances at the end of FY24 that do not have restrictions placed around how the funds can be spent.

## MID-COLUMBIA ECONOMIC DEVELOPMENT DISTRICT FY2024 BUDGET
