

State of Oregon COVID-19 Emergency Business Grant Application

The Oregon Legislature, in partnership with the Governor, allocated \$22.5 Million of federal CARES Act funds for the purpose of providing financial assistance to small businesses adversely affected by economic conditions as a direct result of the COVID-19 pandemic.

To fill gaps not reached by other programs, these federal funds are directed to adversely affected businesses with 25 or fewer employees. COVID-19 Emergency Business Grant awards will be made to eligible businesses that have received less than \$100,000 in federal funding. Businesses may use the proceeds for any business-related operating expenses.

Businesses that have previously received funding through the State of Oregon COVID-19 Emergency Business Grant program are eligible to receive additional funding and should complete and submit the State of Oregon COVID-19 Emergency Business Supplemental Grant Application.

This application is for a business that meets all of the following **eligibility** requirements:

- The business is headquartered in Oregon and has its principal operations in Oregon.
- If required by Oregon law to be registered with the Oregon Secretary of State to do business in Oregon, the Business is so registered.
- The business has 25 or fewer employees.
- The business was adversely affected in either one of the following two ways:
 - For-profit and non-profit (limited to 501(c)(3) corporations) businesses that were prohibited from operation as directed by Executive Order 20-12.
 - For-profit and non-profit (limited to 501(c)(3) corporations) businesses that can demonstrate a one-month decline in sales of 25% or more, incurred by the COVID-19 pandemic, between March 1, 2020 and August 31, 2020 as compared against the same period of time in 2019.

The following businesses are **ineligible** to apply for or receive funding under the Program:

- Passive real estate holding companies and other entities holding passive investments.
- Non-profit entities that do not have federal 501(c)(3) status.
- Businesses that experience a decline in revenues for reasons other than those caused by the COVID-19 pandemic (e.g. seasonal or cyclical businesses cycles).
- Businesses that are delinquent on federal, state or local taxes that were due on or before the date of application.
- Businesses that do not comply with all federal, state and local laws and regulations.
- Businesses that have already received grant funds through the Statewide Business and Cultural Support Program. The Emergency Board of the Oregon Legislature established this program in July 2020, to support cultural venues and organizations. Eligible recipients for this program include, but are not limited to, cultural institutions, children's museums, county

fairgrounds, cultural entities within federally recognized Indian Tribes based in Oregon, and festivals and community event organizations.

- Businesses that have received more than \$100,000 of federal CARES funding (e.g. PPP, EIDL, and/or EIDL Advance) as set forth by this program in this application.
- Businesses that do not otherwise meet the eligibility requirements set forth above.

Again, businesses that have previously received funding through the State of Oregon COVID-19 Emergency Business Grant program should not complete this form but should complete and submit the State of Oregon COVID-19 Emergency Business Supplemental Grant Application.

Awards to eligible businesses will be made as a grant. The amount of the grant will be the greater of the following figures based upon a calculation for Full Time Equivalent (FTE) employment:

- 1) Businesses with 2 or fewer FTE – \$5,000
- 2) Businesses with 3 or more FTE – \$2,000 per FTE (cap of \$50,000)
