

TITLE
OVERTIME

Driver
Non-Exempt

PURPOSE OF POSITION:

Drives Transportation Network (LINK) vehicle(s) to provide general public transportation within the Transportation Network’s service area. The primary objective of the Transportation Network bus driver is to provide safe, reliable, and efficient public transportation. The driver must also ensure that the highest possible safety standards are followed in the operation and maintenance of the assigned vehicle.

ESSENTIAL JOB FUNCTIONS:

The essential functions of the position include, but are not limited to, the functions outlined below. Regular and consistent attendance is an essential function of this position.

1. Ensures safe and timely transportation for our riders by:
 - Performing complete and thorough daily pre-trip inspections and reporting equipment concerns and maintenance problems to dispatcher or supervisor.
 - Assist our riders in the safe and efficient boarding and deboarding on our buses.
 - Ensuring the safe securement of all objects, mobility devices and appropriate use of car seats and seat belts.
 - Ensure all mobility devices are properly secured and the seat belt and shoulder harness are used according to the manufactures guidelines.
 - Immediately reporting any unsafe or hazardous working conditions, passenger incidents and/or any injury.
2. Maintains accurate daily records and completes daily financial reports to the Transportation Network Operations Manager.
 - Completes service date for reporting requirements and transmits the information to the Transportation Operations Manager.
 - Reconciles daily fares/tickets received from riders with Transportation Operations Manager
3. Contributes to team effort by:
 - Establishing and maintaining open and positive communication and interaction with all staff, and all of our riders.
 - Provide positive and constructive input into all aspects of the program.
 - Be willing to help other drivers who might get behind on their routes.
4. Follow company safety and personnel policy.
5. Maintains confidence and protects agency operations by keeping confidential information confidential.
6. Performs other job related work duties as assigned.

Specific Physical Job Functions and Physical Demands:

1. Sit in driver’s seat for long periods of time.
2. Use full range of sense of hearing, including tone, pitch, and volume, when operating transit vehicle, using two-way radio, and assisting passengers and public.
3. Use full range of sense of speech, including audibility, annunciation, and projection, when using two-way radio and assisting passengers and public.
4. Use full range of sense of vision, including depth perception, accommodation, color vision, and acuity near/far when operating transit vehicle.
5. Finger (manual dexterity) vehicle controls and paperwork.
6. Handle transfers and other paperwork.
7. Push passengers in wheelchairs over short distances.
8. Pull passengers in wheelchairs over short distances.
9. Stoop when performing vehicle inspections and securing wheelchairs.
10. Crouch when performing vehicle inspections and securing wheelchairs.
11. Kneel when performing vehicle inspections and securing wheelchairs.
12. Bend at the knee, hip, and waist when operating vehicle, performing vehicle inspections, and securing wheelchairs.
13. Twist at the knee and waist when operating vehicle, performing vehicle inspections and securing wheelchairs.
14. Reach forward, rearward, upward, and downward when operating vehicle, performing vehicle inspections, and securing wheelchairs.
15. Stand while performing vehicle inspections and assisting passengers and the public.
16. Walk while performing vehicle inspections and assisting passengers and the public.
17. Be subject to wet, cold, and/or hot environmental conditions.
18. Be subject to a low risk of injury due to vehicle accident, mechanical failure, fire, and/or explosion.
19. Be subject to vehicle noise and vibration while operating transit vehicle.
20. Be subject to vehicle exhaust fumes and odors, and road dusts and mist.
21. Write reports in a coherent, legible manner.
22. Collect and count fares.
23. Clean & wash interior & exterior of vehicles.
24. Other functions that may be assigned.
