- Evaluation Framework
- Priority Projects
- Detailed Appendices

The screenshot displays the website for the Mid-Columbia Economic Development District (MCEDD). The header includes the MCEDD logo, the text "MID-COLUMBIA ECONOMIC DEVELOPMENT DISTRICT" and "2022 - 2027 Comprehensive Economic Development Strategy", and a "CONTACT US" link. The main content area features a large blue box with the title "COLUMBIA GORGE ECONOMIC DEVELOPMENT STRATEGY" overlaid on a scenic photograph of a river valley. Below the title, a paragraph states: "Five counties in two states sharing a common workforce, geography, and economic development challenges and opportunities." To the right, a "QUICK LINKS [PDF]" section lists three documents: "Summary of 2022 - 2027 CEDS [20 PAGES, 6.4MB]", "Resumen en Español [16 PAGES, 8.4MB]", and "Full Strategy: 2022 - 2027 CEDS, 2023 Update [66 PAGES, 9.8MB]". Below this is an "ONLINE SUMMARY" section with links for "Introduction", "COVID-19 Impacts", and "SWOT Analysis & Asset Mapping". At the bottom, a map of the "MID-COLUMBIA REGION" shows the Columbia River flowing through Washington and Oregon, with counties Skamania, Klickitat, Hood River, Wasco, and Sherman highlighted in green. The city of Portland is also marked on the Oregon coast.
