WHAT DOES "DEVIATED FIXED ROUTE" MEAN?

The bus operates along a route with a regular schedule, but can also leave the route for "off-route" drop-offs or pick-ups. The number of deviations per run is limited and must be scheduled in advance by calling (541) 296-7595.

Only deviations within 1/4 mile of the route are allowed. Time is built into the schedule to allow for deviations. This means the bus may get to the stops earlier than the scheduled time if there are no deviations, but the bus will not leave that stop until the time posted in the schedule.
